

Assignment 01

Define Nationalism. Compare and contrast Indian Nationalism with the nationalism that developed in Europe. What were the main elements of the subcontinent's expression of nationalism, and how did it differ from European model of nationalism? (Max. 500 words)

Guidelines:

- Analyse the order in which the concept and understanding of nationalism developed in the Indian subcontinent over a period of time.
- Compare and contrast the Indian Nationalism with the European Nationalism in the light of Pakistan Movement and highlight the factors or elements that differentiate Indian Nationalism from European Nationalism.
- Research the topic thoroughly before writing your assignment.
- Give proper references, where necessary.
- The assessment should contain credible facts and figures supporting your arguments.
- Avoid biased and stereotypical statement. Academic writing will be appreciated.
- The assessment must not be more than 500 words.
- Plagiarised/AI-generated content will not be accepted. Copy/Paste will lead to rejection of the assessment.
- Both typed and legible handwritten assignments are acceptable, but only in hard form.
- The deadline for submission is **Thursday 14th September, 2023 before 04:00 PM**. Late submission is not acceptable.
- The title page must contain Roll. No, Full Name, Name of Course, Title of Assignment, Program of Study and Section.
